ONE. If I should, at any time, have an incurable condition caused by any disease or illness, or by an accident or injury, and be determined by any two or more physicians to be in a terminal condition whereby the use of "heroic measures" or the application of life-sustaining procedures would only serve to delay the moment of my death and where my attending physician has determined that my death is imminent whether or not such "heroic measures" or life-sustaining measures are employed. I direct that such measures and procedures be withheld or withdrawn and that I be permitted to die naturally.

TWO. In the event of my inability to give directions regarding the application of life-sustaining procedures or the use of "heroic measures", it is my intention that this directive shall be honored by my family and physicians as my final expression of my right to refuse medical and surgical treatment, and my acceptance of the consequences of such refusal.
